Sir:

In response to the Notice to File Corrected Application Papers dated October 26, 2001 (copy enclosed), enclosed is a set of substitute drawings in the above-referenced application. The Notice to File Corrected Application Papers indicated that substitute drawings were required because the drawings as filed did not have the appropriate margins. Filed herewith, therefore, are new Figures 1-47, which should be sufficient to place the application in compliance with United States patent practice. The Notice to File Corrected Application Papers having a two month response period, this response is timely filed.

In the event that there are any fees due with respect to this paper, please charge Deposit Account No. 01-2300.

Respectfully submitted,
